### Program Overview, Rationale and Organization

Please submit this form, with the following, by **March 30**:

1. Program Description: Describe the proposed program, how it fits Mercer curricular objectives, and rationale for off-campus setting.
2. Syllabus and student learning outcomes
3. Proposed Itinerary: Please include the following: Arrival/departure dates, a description of travel logistics, a description of weekly schedule, a description of a typical weekday, and a description of any excursions/off-site visits.
4. Local Arrangements: Please include the following details: Local Living (e.g., university dormitory, home-stay, hotel), dining (cafeteria, no meal-plan, student cooking), and transportation arrangements.
5. Risk-Management Concerns in Destination(s), if any. (Please explain steps taken to minimize any risks):
6. Preliminary Budget: Complete and submit the budget worksheet along with any documentation available (price quotes from hotels, transportation company, program provider, etc.).

For additional details, please refer to the Faculty and Staff Resources section located in Terra Dotta ([mercer.terradotta.com](http://mercer.terradotta.com)).
